## AirWave1 air cushion machine

The perfectly simple air cushion machine

**AirWave1 – installed and proven a thousand times over!**

### PRODUCT DESCRIPTION:

AirWave1 - as of today, we are making the decision for you – pads or cushions.

Completely secure and with optimum protection. The FLÖTER combined system produces air cushions or pads in seconds. Smaller and lighter than a franking machine, the AirWave1 air cushion system fits into any packing area, in distribution or at checkout counters.
